| Family                | Bases                           |
| Design                | Kauppi & Kauppi                 |

### Maintenance

Disconnect the luminaire. Remove the shade and clean it. Do not use cleaning agents containing solvents. Change the light source if necessary. Check the gasket and change it if necessary. Replace the shade.

*If the base is modified the person responsible for the modification shall be considered manufacturer. Subject to errors in text. We reserve the right to change the technical specifications (without notice).*
