

Solenne 360/175 LED DALI 3000K

Solenne is designed by Kauppi & Kauppi and includes a total of seven lighting fixtures, all with generous matt opal glass shades and black or white glazed porcelain bases. Four of the fixtures follow our traditional range for ceiling, wall, and facade with IP44 ratings suitable for both indoor and outdoor installations. The collection also includes three more novel types of lighting fixtures, taking our pressed porcelain to new indoor contexts. Solenne includes a grand pendant with a corresponding porcelain ceiling cup, a new table luminaire with a wooden base, and Ifö Electric's very first floor lamp.
